ulum, the finance, and every other aspect of education and take it away from local control. So I suggest to you, state aid is important and one other item. The National Congress of Educational Excellence, you'd better start reading their platform.

SPEAKER LUEDTKE: Question before the House is the override of...the veto on LB 33 notwithstanding the action of the Governor, that LB 33 be passed. All in favor vote aye, opposed nay. Have you all voted? Senator Koch.

SENATOR KOCH: Mr. Speaker.

SPEAKER LUEDTKE: Record the vote.

CLERK: Read record vote on page 2153 of the Journal. 30 ayes, 16 nays, 3 not voting.

SPEAKER LUEDTKE: The motion carries and LB 33 becomes law notwithstanding the action of the Governor. Senator Warner, do you want to take up that override? There is another override. I just got a special order on any overrides. Do you want to take it up now? No. He says no.

CLERK: Motion on the desk, Mr. President.

SPEAKER LUEDTKE: Alright.

CLERK: Read Duis motion found on page 2153 of the Journal.

SPEAKER LUEDTKE: Chair recognizes Senator Duis.

SENATOR DUIS: Mr. President, members of the Legislature. This amendment doesn't increase anything. It is a clerical amendment that was necessary by engrossing because of the change in the line numbers. I had the wrong line numbers in. I think that Senator Warner will verify this. This is merely an error in the lineage, and does not have anything to do with any change. Would you tell them, Senator Warner. May I ask you that question?

SENATOR WARNER: Mr. President, members of the Legislature. Senator Duis indicated this reflects the amendment the body adopted that he offered the other day. It is an adjustment in the personal services limitation for that program reflecting additional funds that the body approved. It is corrective in that sense and ought to be adopted.

SPEAKER LUEDTKE: Chair recognizes Senator Chambers. Alright. Seeing no further lights, Senator Duis, do you have any close?

SENATOR DUIS: No. This is just corrective and required by the Revisor down there.

SPEAKER LUEDTKE: It's a motion to return. The motion is to return. Senator Duis' motion to return. All in favor vote aye. Opposed nay. Have you all voted? The motion is Senator Duis' motion to return LB 550. Have you all voted? Record the vote.

CLERK: 28 ayes, 0 nays on the motion to return.
